Robert Chisholm was commissioned in 1861 to build the first building the University which is now a magnificently renovated heritage monument.

The first Vice-Chancellor of the University was Sir Christopher Rawlinson, also the Chief Justice of Madras. This practice of part time Vice-Chancellors (majority from the High Court bench) was continued until 1923. The University at its inception comprised of four faculties – Arts, Law, Medicine and Engineering, and examined candidates for degrees in all these disciplines. However, consequent amendments to the Madras University Act, the Law, Medical and Engineering faculties earlier affiliated to this University have been since shifted to the newly created Dr. Ambedkar Law University, Dr. MGR Medical University and the Anna University respectively.
